## Win Early Literacy™

### 1. Tell us about the students who were in this case study.

Answer: 11 girls and 8 boys including five speech students

### 2. How did you use Alive Studios' resources with the children?

Answer: I used the document camera with Letters alive and the animals to get my kids excited about word building with blends and creating sentences. We worked in small groups of 4-5 students and also used the Letters and Math Journals

### 3. What are the ELA Skills that you measured with your students to prove success in this Study?

Answer: Uppercase and lowercase letters, blending, rhyming, and letter sounds

### 4. Overall, how did you and the students like Alive Studios' supplemental resources?

Answer: We LOVE it! The kids will get the program to go to the zoo, and then tie it back to what they learned.

### 5. What was your favorite aspect of the program? What were your students' favorites?

Answer: I loved blending the cards and my students loved all the animals!

### 6. Why do you think the program was so successful for your learners?

Answer: Because it was interactive, colorful, and fun! It just all fits together. It wasn't like a task, it was more like fun.
